CALVIN WATT
Founder & Principal Designer

Calvin Watt is the Founder and Principal Designer of C'VION Company, a nationally recognized interior design firm known for its elevated, intentional interiors. With over 15 years in the industry, Calvin has built a brand that merges luxury, storytelling, and strategic business structure.

His work has been featured in showhouses and publications, and his growing retail extension, C'VION Home, allows clients to experience his curated aesthetic firsthand.

Beyond design, Calvin is a transformational coach and entrepreneur passionate about building profitable creative businesses and elevating the design community at large.
